Safeguarding and Promoting Children's Welfare

Parents, Carers or Visitors
To ensure the protection of the children in our care, usage of mobile phones in the setting or on the grounds of the school is prohibited. We respect that there are times when adults may need to use their mobile phone but they will be asked politely by a member of staff to take the call off the school grounds! Many Thanks!

Health & Safety- Road Safety-

Please **do not** park in the school car park even if the gates are open. The school have asked us to inform parents that they must use the pedestrian gate and walk around the side of the school fence and **not** through the car park following the **P.W.C signs**. As indicated in the Wykeham primary school newsletter, we need to ensure the safety of our children when they are travelling to and from school and have become concerned at the number of cars driving inappropriately near to the school gates. Please take care; it's your child welfare. Please do not hook the gate open at any time or ring the **buzzer**. A member of staff will be present upon entry and exit. Please could you make sure your children stay close to you at all times. Intercom system for P.W.C use only.

Achievements- We have installed a WOW tree with-in our settings. The purpose is for the children to display there achievements outside of the pre-school setting and share this with our setting. This could be what your child achieves at an outside club e.g.:-swimming, karate, gymnastics, or on a more personal scale e.g.: sleeping in their own bed or making the transition from nappies. All your ideas are welcome to encourage your child's happiness in attending preschool.

Lunches

We discourage children to share and swap their food with one another. This is to protect children with food allergies. For children who drink milk, we will provide fresh, milk and water throughout the session.

We **do not** have the facilities to store or refrigerate food. We therefore ask that you provide an ice pack in chocolate in your child's packed lunch. Our setting reserves the right to not allow any such items to be consumed at our snack break. Even if your child does not suffer from a food related allergy, We kindly ask you to avoid putting items in your child's lunch that may cause a problem for another child in the setting, such as nuts.
