Safeguarding and Promoting Children's Welfare

Parents, Carers or Visitors

To ensure the protection of the children in our care, usage of mobile phones in the setting or on the grounds of the school is prohibited. We respect that there are times when adults may need to use their mobile phone but they will be asked politely by a member of staff to take the call off the school grounds! Many Thanks!

Note- If you feel unsure about anything please talk to our manager. All children are allocated a **Key-Person** and a staff

member is always available to discuss any problems or concerns you may have in setting hours.

Lunches- May we remind you that sweets, chocolate, fruit strings & cheese spaghetti strings are not allowed in the lunch boxes. This will be returned to you. May we also ask that if your child has a fruit shoot or similar that the lids be removed at home, as a lot of the children are having trouble removing them, and are of course a choking hazard for our younger children.

Notice- Parent questionnaires for parents/carers have been issued, and if possible could they be returned to Teresa by Friday 30th November 2012. Thank-you for giving your views, as we aim to provide a quality childcare service and all comments will be addressed.

Road Safety-

As indicated in the Wykeham primary school newsletter, we need to ensure the safety of our children when they are travelling to and from school and have become concerned at the number of cars driving inappropriately near to the school gates. Please take care, its your child as well! Many Thanks....

Notice- Please Post any suggestions in our comment box (**Good or bad**) All feed back will be taken on board, to keep an excellent service for your children. The red post box is on the wall on the left before you reach the two classrooms.
