Planning, Topics and Themes! – We plan through the children’s interest and activity ideas every term. This works by the staff sitting down at the end of each term asking what theme they would like to do and then write down activity ideas this is linked with our After-school planning. An activity is taking place every week where the children have a choice to sit down with a staff member and carry the activity out. We are also introducing the children to evaluate their own planning at the end of each week. The children have also asked for a “Film Night”. This will be arranged for different night of each week of term (Film Age Appropriate)

Homework Children are able to do their homework with us either reading, spelling, or maths although they may tell us they do not have any, so please could you inform us in writing if there is any particular night that your child has homework and you would like us to do this with them.
