June-July 2013 Summer term.

Early-Bird setting Newsletter.

Staff Members- Bev, Andy, Emma, Carol, Katie.

P.W.C would like to Welcome you back to our setting, after the break. This term will be 7 weeks & 2 days long.

We will be finishing on **Tuesday 23rd July** & we will be returning on **Monday 2nd September 2013.**

We look forward in working in partnership with you & your child through-out their session with us and look forward to your continued support.

Planning Topics and Themes! – We plan through the children’s interest and activity ideas every term. This works by the staff sitting down at the end of each term asking what theme they would like to do and then write down activity ideas this is kinked with our After-school planning. An activity is taking place every week where the children have a choice to sit down with a staff member and carry the activity out. We are also introducing the children to evaluate their own planning at the end of each week.

Week 1	Fathers Day Cards
Week 2	Making chatter box (Grace Hall)
Week 3	Smile Week
Week 4	Junk Modelling (Charlie White)
Week 5	Decorating Cookies (Tyrese Sinclair Furlonge)
Week 6	Collage Pictures (Aysha Ribbons)
Week 7	Cooking.

Snack Menu! - All children will have the opportunity to plan their menu for the next week from a list of available food. There will be a choice of hot food and either wraps/sandwich/crackers.

Notice! - – Could all parents be a ware that their will be no access through the school to collect items from classrooms etc. This is from the advice of the school. We will endeavour to ask children when attending to make sure they have all items with them that need to be taken home when arriving.

Please could all parents/Guardians complete their term contract before the start of the next term?(Please speak to a manager)

Parents and carers should be aware the setting is on school property and parking can be provided with-in the grounds but please be courteous to other user of the grounds when entering or exiting. If you do need to park outside the setting to drop off or collect your child, please be courteous to those who live nearby. Please do not block resident’s driveways or Double Park in any of the neighbouring streets. This is a serious concern with all residents with-in the area and we all need to respect others who live near by. The school at present have changed a number of safe guarding measures with the security with-in the school grounds and we will endeavour to keep you up to date when we have been fully briefed.

If you wish to take your child out of the setting due to holidays with-in term time the fees will still have to be paid.

If the setting needs to be closed due to circumstances beyond our control i.e. Snow, Flood, polling days, inset days then fees will not be refunded. Bank Holidays are charged as a normal day.

Thank-you for your continuous support. All feedback is welcome.
