September-October 2012 term. Early-bird setting Newsletter.

Staff Members- Bev, Andy, Emma, Carol, Katie.

P.W.C would like to **Welcome** you back to our setting, after the summer break. This term will be **8 weeks** long.

We will be finishing on **Friday 26th October 2012** & we will be returning on **Monday 5th November 2012**. We would like to welcome all new parents and children to our setting & look forward in working in partnership with you & your child through-out their session with us **Planning!** – We now plan through the children’s interest and activity ideas every term. This works by the staff sitting down at the end of each term asking what theme they would like to do and then write down activity ideas. An activity is taking place every week where the children have a choice to sit down with a staff member and carry the activity out. We are also introducing the children to evaluate their own planning at the end of each week.

Snack Menu! - All children will have the opportunity to plan their menu for the next week from a list of available food. There will be a choice of hot food and either wraps/sandwich/crackers.

Topics and Themes! - The topics/themes will also be planned by the children through sharing of ideas, this is linked with our Afterschool. Please take time to look at the display board to see the children’s work.

Notice! - – Could all parents be a ware that their will be no access through the school to collect items from classrooms etc. This is from the advice of the school. We will endeavour to ask children when attending to make sure they have all items with them that need to be taken home when arriving.

- ❖ Please could all parents/Guardians complete their term contract before the start of the next term?(Please speak to a manager)
- ❖ Parents and carers should be aware the setting is on school property and parking can be provided with-in the grounds but please be courteous to other user of the grounds when entering or exiting. If you do need to park outside the setting to drop off or collect your child, please be courteous to those who live nearby. Please do not block resident’s driveways or Double Park in any of the neighbouring streets. This is a serious concern with all residents with-in the area and we all need to respect others who live near by. The school at present have changed a number of safe guarding measures with the security with-in the school grounds and we will endeavour to keep you up to date when we have been fully briefed.
- ❖ If you wish to take your child out of The setting due to holidays with-in term time the fees will still have to be paid. If the setting needs to be closed due to circumstances beyond our control i.e. Snow, Flood, polling days, inset days then fees will not be refunded. Bank Holidays are charged as a normal day.

Thank-you for your continuous support. All feedback is welcome.

Health & Safety-

Please **do not** park in the school car park even if the gates are open. The school have asked us to inform parents that they must use the ‘small Blue gate’ pedestrian gate and walk around the side of the school fence and **not** through the car park following the P.W.C signs. Please do not hook the gate open at any time or ring the **buzzer**. A member of staff will be present upon entry and exit. Please could you make sure your children stay close to you at all times.

The school at present have changed a number of safe guarding measures with the security with-in the school grounds and we will endeavour to keep you up to date when we have been fully briefed.

A new intercom system for P.W.C should be in use for the new term.

**Contact numbers- (Beverley Nicholls- Tel-07752546910)
