Health & Safety- Road Safety-

Please **do not** park in the school car park even if the gates are open. The school have asked us to inform parents that they must use the pedestrian gate and walk around the side of the school fence and **not** through the car park following the **P.W.C signs**. As indicated in the Wykeham primary school newsletter, we need to ensure the safety of our children when they are travelling to and from school and have become concerned at the number of cars driving inappropriately near to the school gates. Please take care; it's your child welfare. Please do not hook the gate open at any time or ring the **buzzer**. A member of staff will be present upon entry and exit. Please could you make sure your children stay close to you at all times. Intercom system for P.W.C use only. It has been brought to our attention that the entrance to Rainsford way, Please could you kindly not lean on any walls while waiting to collect your child. Thank-you!

Time-Keeping.

Rainsford Way and Barton Road gates are open at (8.55am). It is important that you both arrive in good time. As you will appreciate late children can disrupt our morning routine and can be very unsettling for your child. Please could you ensure you arrive at 9-00am prompt. The gates will be closed by (9.15am) as the staff need to be back in the classroom to work with the children. After 9.15am only Rainsford Way gate will be able to be used by the intercom. A late Charge of £5.00 every half an hour is also inline with our late policy. Please be aware we finish at 2-00pm. Thank-you.

Parent Notice-

A big thank-you to all parents that took part in supporting us with help on our Tesco activity days. This was over two days last term. We will be attending one more session this term for the children that had not attended this event. The children were great walking to Tesco Roneo corner, and were given a preview of the staff areas within the store. The freezers were cold, but watching and smelling the cakes baking was a treat in its self. The children enjoyed identifying different colour foods and understanding the importance of eating healthily. Big thank you to Tesco for letting our children attend.

Lunches

We discourage children to share and swap their food with one another. This is to protect children with food allergies. For children who drink milk, we will provide fresh, milk and water throughout the session. We **do not** have the facilities to store or refrigerate food. We therefore ask that you provide an ice pack in your child's lunch bag or box. Please ensure your child's lunch bag or box is clearly labeled with his or her name. Please do not put treats like sweets, nuts, fizzy drinks or chocolate or peanut in your child's packed lunch. Our setting reserves the right to not allow any such items to be consumed at our snack break. Even if your child does not suffer from a food related allergy, we kindly ask you to avoid putting items in your child's lunch that may cause a problem for another child in the setting. Please speak to a member of staff if you have any concerns.
