Safeguarding and Promoting Children's Welfare

Parents, Carers or Visitors- To ensure the protection of the children in our care, usages of mobile phones in the setting or on the grounds of the school are prohibited. We respect that there are times when adults may need to use their mobile phone but they will be asked politely by a member of staff to take the call off the school grounds!

Achievements- We will be operating a **WoW** tree with-in our setting. The purpose is for the children to display their achievements outside of the pre-school setting and share this with our setting. This could be what your child achieves at an outside club e.g.:-swimming,

Just a reminder- Labelling all children's clothing

and belongings -

Could all coats, bags, Wellingtons, lunch boxes and anything that your child may bring into the setting is clearly labelled with their name, as items left at the end of each term will be donated to charity shops in the local area.

If you feel you have left any items behind we keep the lost property in a box, but only until the end of term as we do not have a large enough store room to cater for items left. Please speak to a member of staff to look through our over flowing box. Thank you.

Please remember to provide Sun Cream, Water and Hats for the Warmer Weather.

Lunches

We discourage children to share and swap their food with one another. This is to protect children with food allergies. For children who drink milk, we will provide fresh, milk and water throughout the session. We **Do Not** have the facilities to store or refrigerate food. We therefore ask that you provide an ice pack in your child's lunch bag or box. Please ensure your child's lunch bag or box is clearly labeled with his or her name. Please do not put treats like sweets, nuts, fizzy-drinks, chocolate, peanut or fruit strings in your child's packed lunch. Our setting reserves the right to not allow any such items to be consumed at our snack break. Even if your child does not suffer from a food related allergy, we kindly ask you to avoid putting items in your child's lunch that may cause a problem for other children in the setting. Please speak to a member of staff if you have any concerns or allergy updates.

NO PEANUT BUTTER OR NUTELLA

Please be aware of the danger of young children eating 'whole' grapes if you are going to put them in their lunch boxes could you ensure that you have cut them in half.

Time-Keeping and Lateness

Access to the setting is via Mansard Close and Barton Road and it is important that you both arrive in good time. As you will appreciate late children can disrupt our routine and can be very unsettling for your child. Please make sure you arrive promptly for the start and finish of your child's session. .

Please be aware we finish at 3pm. Thank you.

Health and Safety:- Parklanes Wykeham Childcare Entrance gates are now operated through an 'Intercom system' please press the button and wait for the gates to be opened.

"Please ensure that the gates are fully closed behind you!"

Parking- Please beware this is very important issue!

- If you do need to park outside the school to drop off or collect your child from our setting, please be courteous to those who live nearby. Please do not block resident's driveways or Double Park in any of the neighbouring streets. This is a serious concern with all residents with-in the area and we all need to respect others who live nearby. Our policy is we would like to see as many of our parents encouraging their children to walk to and from our setting. We understand we all have busy schedules, but please be aware and respect others in the area. Our children's SAFETY is of paramount importance to all of us. A member of staff will be at hand on the gates if you have any concerns.
