Just a reminder- Labelling all children's clothing and belongings -

A Coat Rack is provided for children to hang their coats on. The Silver 'Year' labelled buckets are for their school bags. Could all coats, bags, lunch boxes and anything that your child may bring into the setting be clearly labelled with their name on please!, as items left at the end of each term will be donated to charity shops in the local area. If you feel you have left, any items behind we keep the lost property in a box, but only until the end of term, as we do not have a large enough store room to cater for items left. Please speak to a member of staff to look through our overflowing box. Thank you.

Planning, Topics and Themes! –

We plan through the children's interest and activity ideas every term. This works by the staff sitting down at the end of each term asking what theme they would like to do, then write down activity ideas, which is linked with our settings planning. An activity will take place every week where the children have a choice to sit down with a staff member and carry the activity out. We are also introducing the children to evaluate their own planning at the end of each week. The children have also asked for a "Film Night". This will be arranged for a different night of each week of term (**Film Age appropriate**) Date to be confirmed.

Topic-	
Week One:	Holi (Festival of Colour)
Week Two:	Mother's Day Cards
Week Three:	Flower's
Week Four:	Shamrocks
Week Five:	Easter Nest Eggs
Week Six:	Easter Egg Hunt

Parking

If you do need to park outside the school to drop off or collect your child from our setting, please be courteous to those who live nearby. Please do not block resident's driveways or Double Park in any of the neighbouring streets. This is a serious concern with all residents with-in the area and we all need to respect others who live nearby. Our policy is we would like to see as many of our parents encouraging their children to walk to and from our setting. We understand we all have busy schedules, but please be aware and respect others in the area. Our children's **SAFETY** is of paramount importance to all of us.

Behaviour

We work very closely in partnership with St Augustine with our transitions with Breakfast Club and After-School Club. A **Behaviour record** will be kept daily, and a letter will go home with your child if we have any matters concerning their behaviour at our setting. If we feel no progress is being made your, child will **MISS** their next session. We will work closely with parents regarding their child's behaviour and will monitor this effectively. (**Please work with us!**)

The behaviour monitored this term, concerning a small number of children who attend, has not been pleasant. If children with continuous behaviour continues, and no improvements are made in-line with our behaviour records, we will have to state that we will not tolerate this and your child will **NOT** be able to attend with us anymore.

Please, as parents, **manners, respect, and courtesy** to other people is very important in life. Respect to staff, other children and the equipment **is paramount.**

Please be aware any child damaging or disrespecting any equipment, will be spoken to and the cost passed onto the parents. We understand equipment can be damaged accidentally, but presently, books and cards have been ripped in front of staff, table football soccer handles broken, snooker cues thrown, balls lost, knitting wool mixed up, to an extent it cannot be used, The list goes on, overall children's respect needs to improve or costs will rise to cover replacements.

Snack Menu! –

All children will have the opportunity to Plan their menu for the next week from a list of available on our menu sheet.

There will be a Choice of hot/cold food with either wraps/sandwich/crackers, Toast, Soup, Hot Dogs in rolls etc....

We are working closely with all the children concerning our snack menu to get a balance to **please all!**

One child from Infants and juniors

(Different children each day) to choose for next week's menu! (Child must be attending the day they choose!)

If you wish to see our food menu chart, please see a member of staff.

Thank-you for your continuous support.

All feedback is welcome.

It has been brought to our attention that a small number of parents are stating that their children are not fed enough and the food supplied is not what they like. We have noticed a lot of children come to us after-school very hungry! I ask the question are the children getting a balanced required amount of food throughout the day before they come to us?, If children are having growth spurts, can parents not supply them with an extra snack in the afternoon after they have had their school dinner. We provide a **snack** to keep them going until they have their evening meal with their family. We do supply 2nds at the end of session rather than throwing any food away, but it seems some parents are expecting a greater meal within a short amount of time at the afterschool. All children's Behaviour at the table needs to be addressed, as children need to respect staff and other children.

Questionnaires

PWC would appreciate if you could complete one of our parent/Carers questionnaires. All feedback will be noted, and addressed appropriately. Should you wish to meet to discuss any points of concern, please do not hesitate to contact us to arrange an appointment.
