We work very closely with St Augustine's Catholic Primary School with any child that may need medication while on the school grounds.

We have had a meeting with the head and a decision was made that All medicine will be stored in the school office and marked clearly with the Childs name as St Augustine's school policy. PWC will have full access to this if medicine is required.

It also means that if you or your family are worried or unsure about anything you can talk to us about it. We have recruited St Augustine's members of staff, working alongside us to work in partnership with the school. We feel having experienced members of staff is a positive step for the children and consistency with our children within the setting.

### Behaviour

We have introduced a behaviour policy in line with St Augustine's Catholic Primary School policies and procedures.

We work very closely in partnership with St Augustine with our transitions with Breakfast Club and after-school Club

A Behaviour record will be kept daily, and a letter will go home with your child if we have any matters concerning with their behaviour at our setting.

If we feel no progress has been made your, child would miss the next session that they would be contracted to attend. We will work closely with parents and their child's behaviour and will monitor this effectively.

### Just a reminder- Labelling all children's clothing and

belongings -

Could all coats, bags, lunch boxes and anything that your child may bring into the setting are clearly labelled with their name, as items left at the end of each term will be donated to charity shops in the local area.

If you feel you have left, any items behind we keep the lost property in a box, but only until the end of term, as we do not have a large enough store room to cater for items left. Please speak to a member of staff to look through our over flowing box. Thank you.

### Parking!

If you do need to park outside the school to drop off or collect your child from our setting, please be courteous to those who live nearby. Please do not block resident's driveways or Double Park in any of the neighbouring streets. This is a serious concern with all residents with-in the area and we all need to respect others who live nearby. Our policy is we would like to see as many of our parents encouraging their children to walk to and from our setting. We understand we all have busy schedules, but please be aware and respect others in the area. Our children's **SAFETY** is of paramount importance to all of us..

### Festival dates/Special events.

Important dates for your diary

Australia Day 26<sup>th</sup> January 2016

Chinese New Year 8<sup>th</sup> February 2016

Valentine Day 14<sup>th</sup> February 2016

We would like to incorporate any festivals your children may celebrate.

### Planning, Topics and Themes! –

We plan through the children's interest and activity ideas every term.

This works by the staff sitting down at the end of each term asking what theme they would like to do, then write down activity ideas, which is linked with our settings planning. An activity will take place every week where the children have a choice to sit down with a staff member and carry the activity out. We are also introducing the children to evaluate their own planning at the end of each week.

The children have also asked for a "Film Night". This will be arranged for a different night of each week of term (**Film Age appropriate**)

**Notice- Please Post** any suggestions in our comment Box (**Good or bad**) All feedback will be taken On board, to keep an excellent service for your Children.
