Behaviour

We have introduced a behaviour system in line with the school policies and procedures.

This will come into effect from this term. A letter will go home with your child concerning their behaviour at our setting resulting in the child missing the next session. We will work closely with parents with their child's behaviour and will monitor this effectively.

PARENT/CARER QUESTIONNAIRE.

To enable us as a Childcare service provider to run efficiently and to provide parents/carers with a structure that meets their needs, we would like to give you the opportunity to complete a questionnaire. This will be available from Monday 9th November 2015. A copy will be available at our hall entrance desk. Please can you complete and return by **Friday 27th November.** Thank you.

Parking!

If you do need to park outside the school to drop off or collect your child from our setting, please be courteous to those who live nearby. Please do not block resident's driveways or Double Park in any of the neighbouring streets. This is a serious concern with all residents with-in the area and we all need to respect others who live nearby. Our policy is we would like to see as many of our parents encouraging their children to walk to and from our setting. We understand we all have busy schedules, but please be aware and respect others in the area. Our children's **SAFETY** is of paramount importance to all of us..

Just a reminder- Labelling all children's clothing and

belongings -

Could all coats, bags, lunch boxes and anything that your child may bring into the setting are clearly labelled with their name, as items left at the end of each term will be donated to charity shops in the local area.

If you feel you have left, any items behind we keep the lost property in a box, but only until the end of term, as we do not have a large enough store room to cater for items left. Please speak to a member of staff to look through our overflowing box. Thank you.

Planning, Topics and Themes! –

We plan through the children's interest and activity ideas every term.

This works by the staff sitting down at the end of each term asking what theme they would like to do, then write down activity ideas, which is linked with our settings planning. An activity will take place every week where the children have a choice to sit down with a staff member and carry the activity out. We are also introducing the children to evaluate their own planning at the end of each week.

The children have also asked for a "Film Night". This will be arranged for a different night of each week of term (Film Age appropriate)
